Peter, Travis and Jim – here are the draft final versions of the Portland Harbor Feasibility Study (FS) Section 1, which replaces Sections 1 and 2 of the draft FS, and Appendix A, which replaces Appendix R of the draft FS. The database was too large to send in an email, so we will send you a copy. Let me know if you have any questions and we'll set up a time to discuss.

Happy Reading!

Bob and Jim – Thank you for the input the LWG provided on EPA's modification to the Portland Harbor FS Section 1, which replaces Sections 1 and 2 of the draft FS, and Appendix A, which replaces Appendix R of the draft FS. EPA has carefully considered all comments in preparing the draft final document. Per the FS revision process modified on December 17, 2014, EPA is providing the draft final versions of FS Section 1 and Appendix A. EPA's contractor sent you the revised FS database in a separate email. We look forward to completing the remaining sections of the FS with you.

Regards,
